1.) Internship credit awarded by your college may be included in the minor, provided entrepreneurial business is a focus of the experience.
2.) Some study abroad programs with an Entrepreneurship focus (maximum of 3 credits) may be used as choice course with supervisory committee approval.
3.) For permission to include other courses in the minor, contact the Entrepreneurial Studies minor advisor in your college. The advisor will forward your request to the Supervisory Committee for approval.

*** Non-business students are limited to taking no more than 9 credits of 300-level courses in the College of Business, unless they meet College of Business admission requirements, which include completing a minimum of 30 credits including Engl 104, Engl 105, and the following foundation courses or their equivalents: Math 150, Com S 103, Econ 101, Stat 226, Acct 284. In addition, students much achieve an ISU cumulative grade-point average of 2.5 or a grade-point average of 2.5 in the foundation courses.**
