

Entrepreneurship and Innovation Learning Community *at the Delta Upsilon Fraternity*

It's much more than a place to live!

The Entrepreneurship and Innovation Learning Community, in partnership with the Delta Upsilon Fraternity, offers a unique living and learning experience designed to help students develop the diverse and dynamic skills needed for success as entrepreneurs and innovators who are prepared to work in a rapidly changing global environment.

- Open to all majors, men and women
- Flexible, affordable co-ed living close to campus
- Newly remodeled fraternity house on the National Register of historic places

LEARNING COMMUNITY

- Shared interest in entrepreneurship, innovation, and creativity
- Weekly seminars, field trips, hands-on learning activities, and speakers
- Mentoring program – connect with professionals in your field

DELTA UPSILON FRATERNITY

- Leadership training and character development
- Lifelong professional and social network
- Non-secret fraternity membership for male community members

ENTREPRENEURSHIP EDUCATION

- Hands-on learning experiences
- Development of entrepreneurial, business, innovation and creativity skills
- Manage the community's student-run business or start your own
