EVENTS

Start This, Start That... Start Something at Iowa State Lunch & Learn

12pm-1pm
SICTR Launch Pad
Join us in the Student Innovation Center Launch Pad from 12-1pm for an introduction to commercialization, entrepreneurship, and startups. During the lunch hour, attendees can expect to learn how to move their technology through the university into a new venture and get connected to available resources. Lunch is FREE but registration is appreciated.

Smart Start Small Business Workshop

9am-4pm
EDCF Training Room
The ISU Pappajohn Center for Entrepreneurship, Small Business Development Center (SBDC), and the Ames Chamber of Commerce will be hosting a "crash course" workshop for anyone who has ever considered starting a business. You will learn various topics such as insurance, intellectual property, business organization, registration, and operations. Local business professionals will present topics. Smart Start provides information as well as the opportunity to ask questions on topics such as paying taxes, applying for a business loan/grant, managing your finances, applying for a patent, finding resources, forming a partnership, and more.
