The Spin Lamp reimagines the modern desk lamp with a refined design inspired by the satisfying simplicity of a volume knob. A small twist transforms lighting into an experience, turning an everyday object into something both functional and delightful. With smooth, full-range dimming from 0–100%, the Spin Lamp gives you precise control over brightness. Customizable shade, base, and light color options allow it to blend seamlessly into any environment, whether minimal, modern, or cozy.

OW

Compact at 5x5x5 inches and equipped with a 3-foot cable, the Spin Lamp ships fully assembled and ready to elevate your space with a balance of artistry and function.
